VASCO DA GAMA

May 2021 – March 2022 cruises

Western Europe • Northern Europe • Baltic States • North Sea • Baltic Sea Cape Verde Islands • Canary Islands • Madeira • Azores • Morocco • Mediterranean

Portuguese hospitality. Bem-vindo a bordo!

In its own unique way, **VASCO DA GAMA** combines the **Portuguese explorer tradition with the demands of today's cruise guests**: a wide range of different bars and restaurants in an exclusive setting, lots of public space with a modern interior and tasteful design elements. On board, you'll find a full range of equipment for spa, fitness and your personal leisure activities. You won't find **any other comparable cruise ship of this size on the market offering such good value for money**. The personal atmosphere on board due to the manageable number of guests is key to the sense of well-being. In the very spirit of Portuguese hospitality, our friendly crew remains committed to your welfare.

A classically beautiful ship for around 1000 guests

In today's cruise ship market, our ship is regarded as small due to the fact that we have limited passenger capacity. The beautiful teak-wood decks exude **classic charm, working in perfect harmony with the ship's** elegant and modern appearance. At 219 metres long and with a volume of 55,820 GRT, the ship provides its guests with all the space they need to thrive, spread across nine passenger decks. On board, you'll feel this spaciousness, for example, in the **cabins and suites (16 to 102 sqm in size), five bars and lounges in different designs, five restaurants, an elegant spa area with sauna and steam bath, a large fitness centre, sports areas on the outside decks as well as two pools**, one of which **has a sliding glass roof**. And in our "Hollywood's" show theatre over two decks, our on-board theatre company provides you with top-class evening entertainment. Bom espetáculo!

Rumo à descoberta! Explore the world – safely!

We want you to be safe when you're travelling. It's not just our captain – who really does know the ropes – and his experienced seafaring crew who will ensure your safety, our range of measures also include mandatory sea emergency exercises and safety measures, meticulous technical care and maintenance of the ship and life-saving equipment as well as **extensive infection protection and hygiene practices**. Of course, **VASCO DA GAMA** also has an on-board hospital with an experienced on-board doctor and skilled medical personnel.

Maximum feel-good factor – meeting all of your needs

Our total of 550 crew members have just one goal: to make you feel comfortable! On top of the **generous room-to-passenger ratio and our range of on-board facilities, the ample crew-to-guest ratio means you can find your own personal way to relax** on board the ship. Whether you prefer to read a good book with a cool drink under the glass dome in our viewing lounge, the “Dome”, or would like to expend some of your energy in the outdoor sports areas, VASCO DA GAMA has the full range of options to choose from. For **families, our children's area over two decks and our special family cabins provide the ideal basis** for an enjoyable holiday together – on family-friendly terms. We also have an attractive programme for singles: **we have a cabin allocation for all dates** with a single supplement of just 15%. Our chefs are, of course, able to meet all common dietary requirements. The ship also has some cabins for disabled guests and has a dialysis unit.

Protect what we value

Due to its small size, our ship is also able to dock at smaller ports without “overcrowding” them like mega ships do. VASCO DA GAMA travels using low-sulphur diesel fuel (MGO), which generates 70–85% less sulphur oxide than crude oil. **Before the start of the 2021 season, we once again carried out extensive upgrades** to the ship's technology in order to further reduce emissions, amongst other things.

Whether you come as a family or on your own – we will look after you!

Attractive offers for single travellers. Get our single bonus!

Even if you're travelling by yourself, you'll find we are excellent value for money. That's because **there is a cabin allocation for all dates with a single supplement** of just 15%. By the way, our single traveller meet-ups on board at the start of each cruise have already forged many friendships between like-minded people, who have been travelling together ever since.

Families are welcome! Guaranteed savings.

VASCO DA GAMA offers a host of advantages for your family holiday. For example, you can book our family cabins with a connecting door. **Get the connecting cabin free for children under 16 when you pay full price for at least two people.** Older children and adults only pay 80€ per person per night's accommodation in the connecting cabin.

Fun and entertainment is guaranteed for our youngest guests too. **The children's area on board VASCO DA GAMA extends over two decks and has outdoor areas as well with lots of room to explore.** We already provide childcare for children over the age of two outside of the holiday periods too.

On the following four pages, we will show you the most important details of VASCO DA GAMA.

Club Bistro

Welcome to our stylish buffet restaurant. At different live cooking stations, you can put your meals together yourself, completely individually. In an informal bistro atmosphere, you'll dine with the best views.
Whether in the morning, at lunchtime or in the evening, you can eat and drink here as your mood takes you.

Children's area

We don't just provide childcare for our youngest guests in the holiday periods. The children's area on board VASCO DA GAMA extends over two decks and also has two outdoor areas with plenty of room for fun and adventures, making your family holiday on board the ship a varied and relaxing time for all family members.

Pool with sliding glass roof

There are two pools available on board VASCO DA GAMA. Whatever the temperature outside, you can always cool off or swim a few lengths in the main pool on the Lido Deck. That's because the modern sliding glass roof can either be left open in good weather, bringing in the warm summer air and sunshine, or when the temperature drops, it can be closed.

Outdoor sports areas

Would you like to do some sport out in the fresh air during your cruise? Our outdoor sports area offers a range of different options. For example, you can play a round of paddle tennis or run a few miles around the jogging track.

Alfresco Grill

Do you just feel like eating a little something now and then? Come over to the Alfresco Grill right next to the pool on the Lido Deck (Deck 11), where you can get light dishes for those in-between times when the restaurants are closed.

Dome and night club

For a fantastic finish to your eventful day on the cruise, enjoy world-class drinks and cocktails with the best view in the “Dome” bar. And if you really want to let go and party, pop over to the night club with its catchy beats.

Fitness centre and spa area

For your very own physical wellbeing, our fitness centre with cardio machines and our spa area with sauna, steam bath and massage (for a fee) are available. Whether you want to do some sport yourself or would rather relax and let yourself be pampered – you’re in the right place!

Lido bar and Cappuccino’s

Fancy a refreshing soft drink or a coffee speciality in the fresh air and with the best view? Then come on over. It isn't far to get to your pool lounge and there's nothing to stand in the way of a relaxing day on deck.

Waterfront Mediterranean

Waterfront Eurasia and Waterfront Mediterranean

At the Waterfront Eurasia, a fusion of modern Asian and European cuisine is on the menu. Fine creations are served in a stylish atmosphere with decorative Asian elements. At the Waterfront Mediterranean, culinary delicacies from the Mediterranean region await. You can also select your à la carte menu here too. Our experienced service crew are happy to advise you.

Speciality restaurant The Grill

Enjoy something really special on your cruise. For a small surcharge, you can enjoy the friendly atmosphere whilst dining out in the tastefully decorated restaurant The Grill. On the ever-changing menu, you'll find international specialities of the highest quality.

Waterfront Restaurant

At the classic Waterfront Restaurant, we serve international specialities. Select your meal from a diverse menu, which is served to you at your table in style. You can also enjoy breakfast at the Waterfront Restaurant. Of course, you'll regularly find Portuguese delicacies on the menu.

Oasis pool

At the rear on Deck 10, this pool really is an oasis for relaxation, with a wonderful sea view and a constant fresh breeze. With its peaceful location, beautiful teak-wood deck and comfortable pool loungers, the oasis pool is an inviting place where you can really switch off.

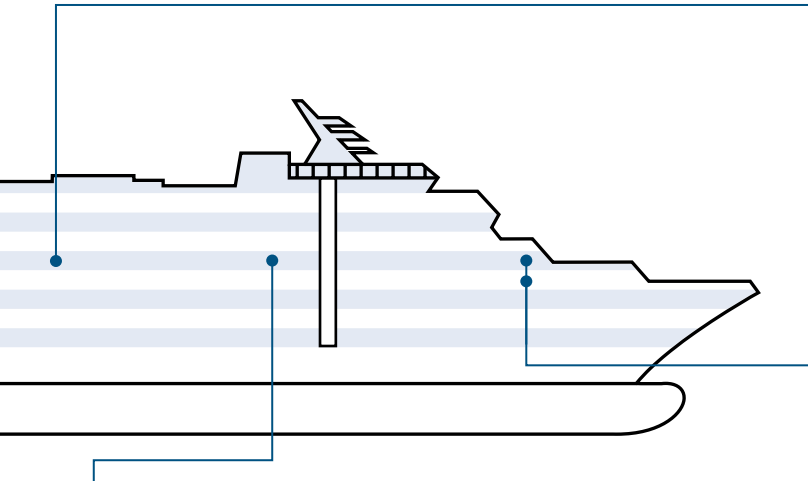

Blue Room

As with all bars on board VASCO DA GAMA, the Blue Room also has its own unique character. In a modern atmosphere, we serve signature drinks as well as the classics. Night owls will appreciate this place in particular. It's never too late for a nightcap and the "blue hour" is one of the most beautiful of the day.

Captain's Club

This tastefully decorated bar is the place to go for a cosy drink after an eventful day. An old-fashioned whisky sour or a glass of fine red wine – for an evening in fine surroundings. Likewise for good conversation and new acquaintances, you've come to the right place.

Ocean Bar

The Ocean Bar is a place for design fans. Its successful mix of colonial style and orangery makes for a relaxing stay and is a real treat for both eyes and mind. This place always exudes charm no matter what time of day it is. Enjoy an aperitif or a delicious tea with fine biscuits.

Hollywood's

Shows and entertainment – quite clearly an important part of any cruise. Our very own "Hollywood" on the sea is just as good as any Broadway theatre. The theatre extends over two decks, forming the artistic heart of the ship. Music, acting, artistry – you won't cease to be amazed.

Morning. Noon. Afternoon. Indulgence with authentic highlights.

Our extensive and healthy breakfast provided in our range of different restaurants will give you a varied start to the day as well as plenty of energy.

Our kitchen crew use all their passion and skill to cook for you every day. Whether you get a **light lunch put together for you at the Club Bistro buffet** (currently no self-service, our friendly staff will serve you), or have the extensive **lunch menu in one of our Waterfront Restaurants** – you can always choose from a wide range of international and regional dishes from the region you are travelling in. Our kitchen crew also **regularly add authentic Portuguese touches**. How about some traditionally prepared cod, for example? A saying goes that Portuguese cuisine has more recipes for bacalhau than there are days in the year. Or do you fancy sampling a Francesinha, a tasty sandwich from Porto. It's not just children who love it!

Traditionally, Portuguese seafarers have always indulged in culinary reminders of their home country on their travels. You'll notice it too we celebrate afternoon tea and coffee time on board, which includes a wide range of desserts. Of course, there are also sweet treats from Portugal to choose from – for example, have you heard of pastel de nata or torta de Azeitão?

A feast for your palate – uma explosão de sabores!

In all the **five restaurants**, you'll be spoiled by the **wide range of first-class delights on offer, freshly prepared by the kitchen crew**. While the Club Bistro presents buffets, show cooking and culinary themes, **in our three Waterfront Restaurants, we serve you at the table**. The same goes for our fine dining restaurant The Grill, where we offer you excellent menus for a small surcharge. In all restaurants, you can dine at extended, **flexible mealtimes with a free choice of seats**. The Alfresco Grill also offers light dishes to satisfy those little pangs of hunger outside of mealtimes.

Dining in the evening – stylish and relaxed to suit every taste

Your culinary highlight of the day awaits, before or after our evening show in Hollywood's – because what would the most beautiful cruise be without its evening culinary delights? Every evening, our experienced and creative kitchen crew always prepare a varied and top-quality menu – with themed buffets in the Club Bistro. Our five restaurants offer a wide selection to suit every taste, not just in terms of the range of food on offer, but also **the atmosphere and decor**. You can look forward, for example, to international specialities, Mediterranean dishes, Portuguese delicacies and also Asian-inspired fusion cuisine. Selected ingredients and healthy preparation will give you indulgence with (almost) no pangs of guilt.

Refined drinks with the best view

Maybe you want to start the evening with an appetising aperitif – for example, with a good port, or the modern version, a port and tonic? Or do you want to end the evening somewhere cosy? **Enjoy classic cocktails and signature creations** with a view of the evening scenery, the sunset or the starlit sky. The name “Dome” says it all: this fully glazed space is the perfect place for your sundowner or nightcap. But the other bars, cafés and lounges **also have fine wines and a fantastic range of assorted alcoholic and non-alcoholic drinks on offer**. Of course, the friendly service team will also be delighted to prepare any drink to your personal taste.
